How to Use the Directory . .

The City Directory is really a co-operative catalogue of the inhabitants, business interests and institutions of a city. But the very mass of the information contained, until one learns how to use it, may appear to be an obstacle to those unfamiliar with its arrangement.

The Directory will enable you to find the answers to the following questions:

? ? ? ?

(*Typical Questions*)		ABOUT A LOCALITY	
inc.)	*Alpha.*	Where is Statistical Review and information about City as a whole?	*Preface*
Who else in same or similar lines?	*Classified*	Where are the Parks and Cemeteries?	*Classified*
What are their specialties?	*Classified*	Where are the Hospitals and Asylums?	*Classified*
Describe their products and services?	*Classified*		
What information have they made accessible to seekers?	*Classified*		

A copy of the current City Directory will be found in the offices of the leading and enterprising firms in your city.

VERNON'S
City of Hamilton Street Directory
1954

NOTE—The asterisk (*) following a householder's name indicates that we have received information that the house is owned by some member of the family. As this is based on information received during the canvass, and as the publisher cannot guarantee the correctness of the information furnished nor the complete absence of mistakes, no responsibility for errors can be assumed.

The letters (M T) after the street names signify Mountain Top. Streets in Hamilton Beach are indicated as (H Beach).

The profession, business, etc., of individuals and firms are only given at their respective places of business. To find the occupation of householders, refer to the Alphabetical list of Names.

A small bell (🔔) placed after the house number in the Street Directory denotes a telephone in the residence.
